TERROIRS DU VERTIGE
VIGNOBLES D'ALTITUDE

HYPSO ANEMO

AOP CORBIÈRES, ROUGE

GRAPE VARIETIES

Grenache, Syrah, Mourvèdre

VINIFICATION

Early morning harvest of selected organically grown vines in the Hautes Corbières terroirs.

Traditional destemmed vinification, with approximately 20 days of fermentation for the Grenache and Mourvèdre to bring freshness and support the fruit. Syrah, which is more demanding, is fermented for around 30 days to reveal its full complexity.

TASTING NOTES

The color is an intense, deep purple. The nose offers aromas of black fruits, cherry, and blackcurrant. On the palate, the tannins are silky with beautiful tension. A powerful yet airy wine!

PAIRINGS

Mediterranean cuisine, white meats. Also perfect with braised lamb chops.
